- 20.** Since the 41st AGM being held through VC/OAVM in compliance with the provisions of the Companies Act, 2013 read with MCA circulars and SEBI Circulars, the Route Map, Attendance Slip, ballot form and proxy form are not attached to this Notice.
- 21. Instructions of shareholders for remote e-voting and joining 41st Annual General Meeting through VC/OAVM are as under:**
- i. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 (as amended) and MCA Circulars and SEBI Circulars, the Company is providing facility of remote e-voting and through e-voting system to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has engaged the services of Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
- Step 1:** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- Step 2:** Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.
- ii. Members of the Company holding shares either in physical form or in electronic form as on the cut-off date i.e. **Friday, July 25, 2025** may cast their vote electronically. A person who is not a Member as on the cut-off date should treat this Notice for information purpose only. A person whose name is recorded in the Register of Members or in the Register of Beneficial Owners maintained by the depositories as on the cut-off date only shall be entitled to avail the facility of remote e-Voting before the AGM as well as e-Voting during the AGM.
- iii. The remote e-voting period begins on **Wednesday, July 30, 2025 at 09.00 A.M. and ends on Friday, August 01, 2025 at 05.00 P.M.** The remote e-voting module shall be disabled by CDSL for voting thereafter. Once the vote on a resolution is cast by the Member, the Member shall not be allowed to change it subsequently. The voting rights of the Members shall be in proportion to their share of the paid-up equity share capital of the Company as on the cut-off date i.e. **Friday, July 25, 2025.**
- iv. Members will be provided with the facility for voting through electronic voting system during the VC proceedings at the AGM and Members participating at the AGM, who could not cast their vote by remote e-Voting. They will be eligible to exercise their right to vote at the end of discussion on the resolutions on which voting is to be held, upon announcement by the Chairman. Members could have cast their vote on resolution(s) by remote e-Voting prior to the AGM will also be eligible to participate at the AGM through VC/OAVM but shall not be entitled to cast their vote on such resolution(s) again. **The remote e-Voting module on the day of the AGM shall be disabled by CDSL for voting 30 minutes after the conclusion of the Meeting.**
- v. Pursuant to **SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020**, under

Regulation 44 of the SEBI Listing Regulations, Listed companies are required to provide remote e-voting facility to its shareholders in respect of all shareholders resolutions. However, it has been observed that the participation by the public non-institutional members / retail members is at a negligible level.

Currently there are multiple e-voting service providers (“ESPs”) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the members.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders by way of a single login credential, through their demat accounts / websites of Depositories / Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication, but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- vi. In terms of SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Members are advised to update their mobile number and email Id in their demat accounts in order to access e-voting facility.

Pursuant to aforesaid SEBI Circular dated December 9, 2020, Login method for e-voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

OVERVIEW:

Oswal Leasing Limited is registered with the Reserve Bank of India ("RBI") as a Non-Deposit taking, Non-Banking Financial Company and is a Financial/Investment Company.

ECONOMIC OVERVIEW:

India is poised to lead the global economy once again, with the International Monetary Fund (IMF) projecting it to remain the fastest growing major economy over the next two years. According to the April 2025 edition of the IMF's World Economic Outlook, India's economy is expected to grow by 6.2 per cent in 2025 and 6.3 per cent in 2026, maintaining a solid lead over global and regional peers. The IMF has also revised its growth estimates for other major global economies. China's GDP growth forecast for 2025 has been downgraded to 4.0 per cent, down from 4.6 per cent in the January 2025 edition of the World Economic Outlook. Similarly, the United States is expected to see a slowdown, with its growth revised downward by 90 basis points to 1.8 per cent. Despite these revisions, India's robust growth trajectory continues to set it apart on the global stage.

In India, growth is projected to be solid at 6.5% in 2025-26. In 2024, agricultural growth hit a five-quarter high of 3.5%, driven by strong monsoons, healthy kharif harvests and with improved rabi sowing in the second quarter. Services exports also surged 12.8% year over year, reaching US\$248 billion from April to November 2024. Indian manufacturing is moving up the value chain with electronics, engineering goods, and chemicals now make up 31% of exports, supported by contributions from micro, small, and medium enterprises and rising credit availability. In the monetary policy of April 2025 - RBI did a Repo Rate cut of 25 bps to 6%, changed its stance to 'accommodative'. This provides confidence to the stakeholders on the economic and credit growth.

INDUSTRY STRUCTURE AND DEVELOPMENTS:

Non-Banking Financial Institutions (NBFI)s are an important alternative channel of finance in India's bank dominated financial sector. NBFCs supplement banks by providing the infrastructure to allocate surplus resources to individuals and companies. Additionally, NBFCs also introduces competition in the provision of financial services. While banks may offer a set of financial services as a packed deal, NBFCs unbundle and tailor these services to meet the needs of specific clients. NBFCs provide multiple alternatives to transform an economy's savings into capital investment.

The Indian economy continues to show robust growth, with the RBI projecting a 6.5 per cent GDP growth rate. The overall credit growth for NBFCs is expected to moderate to 13-15% in FY25 and FY26, reflecting a shift away from the rapid expansion seen in the previous two fiscals. This economic resilience is paving the way for significant credit growth for NBFCs. NBFCs cater to the diverse needs of the borrowers in an efficient manner, considering geographical scope and understanding of various financial requirements of the borrowers. The last few years have transformed the Indian financial services landscape. The increasing penetration of neo-banking, digital authentication and the rise of UPI along with mobile banking has resulted in the modularization of financial services. The NBFC sector has benefited from this and has shown resilience with sound capital position, improved asset quality, adequate provisioning and higher profitability.

According to IBEF, rising incomes in India are driving the demand for financial services across income brackets. Further, there are over 10,244 fintechs operating currently, positioning India to become one of the largest digital markets, aided by the rapid expansion of mobile and internet.

The Non-Banking Financial Companies (NBFCs) sector plays a significant role in the Indian economy, providing credit to individuals, small and medium-sized enterprises, and rural areas, among others. NBFCs have emerged as a key segment in the financial sector, bridging the gap between banks and borrowers who are underserved or excluded from traditional banking services. In recent years, the sector has witnessed significant growth, fuelled by a rise in demand for credit and the emergence of new players.

Pursuant to RBI's regulatory framework, your Company is a "Non- Banking Financial Company Non-Systemically Important (Non- public deposit taking company) (NBFCs-ND-NSI) registered under Reserve Bank of India ("RBI") vide registration number 14.00489 dated March 19, 1998 and involved in the activities of Investment in shares as well as financing activities.

OPPORTUNITIES AND THREATS:

During the financial year 2024-2025, your Company changed the pattern of allocation of funds. Company also increased lending to known Business associates and Group Companies for safety and higher returns. Company is hopeful that revised allocation will help in better Asset Portfolio Management to get the better returns with safety.

Your Company foresees and is cautious of all the economic and financial threats while making new investments due to unpredictable policy changes by the Government and Increasing competition from local and global players.

FUTURE OUTLOOK:

The NBFC Sector in India has undergone remarkable growth, establishing itself as a significant player with in Country's Financial Landscape. The retail assets, which are a significant portion of NBFC credit, are expected to grow at a slower pace of 16-18% CAGR in FY25-FY26, compared to the 23% CAGR seen in FY23-FY24. The Indian NBFC (Non-Banking Financial Company) industry is experiencing a period of moderated credit growth, shifting from a high of 17% in the previous two years to a projected 13-15% in FY25 and FY26, according to ICRA Ratings. While NBFCs continue to grow faster than India's GDP, the growth rate is expected to slow down due to concerns about borrower overleveraging, especially in unsecured segments like microfinance, personal loans, and credit cards. NBFCs are set to announce robust results on the back of Strong credit, Upcycle, higher disbursement and higher Collections. NBFC would maintain loan growth of around 17% year on year basis in the next Fiscal year on back of higher demand for loan against property, Housing Loan, Vehicle Finance Loan and Personal Loan. The existing on balance Sheet Liquidity would help in maintaining the funding cost for certain quarters. The growth is expected to be driven by various factors like the increasing demand for credit, the government's initiatives to promote financial inclusion, and the rise of digitalization.

The Company also intends to continue focusing on diversifying its business into new avenues of Investment/ financial deals with lower risk to earn reasonable returns and making its best efforts to utilize the available opportunities with caution and emerge as fully Integrated Financial Company.

RISK AND CONCERNS:

As a NBFC, the Company is exposed to market risk, global risk, regulatory risk, credit risk, liquidity risk, competition risk and interest rate risk etc. which can affect the return on investments and financial business in unexpected way. Sustained efforts to strengthen the risk framework and portfolio quality have yielded consistently better outcomes for the Company.

FINANCIAL/OPERATIONAL PERFORMANCE

The consolidated Revenues was Rs. 15,09,327/- and Loss before tax was Rs. 2,15,528/- and Loss after Tax was Rs. 2,15,528/- as on 31.03.2025. The detailed performance has already been discussed in the Directors' Report under the column 'Financial Performance'.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company is maintaining an efficient and effective system of Internal Financial Control for the facilitation of speedy and accurate compilation of financial statements. The Company's internal control system is designed to ensure operational efficiency, protection and conservation of resources, accuracy and promptness in

financial reporting and compliance with laws and regulations and procedures. Pursuant to the provisions of Section 138 of the Companies Act, 2013 read with Companies (Accounts) Rules, 2014, the Company has also appointed M/s. Raj Gupta & Co., Chartered Accountants as an Internal Auditor of the Company. The Company has in place adequate internal financial control systems with reference to the Financial Statements. The Internal Audit Reports are discussed with the Management and are reviewed by the Audit Committee of the Board which also reviews the adequacy and effectiveness of the internal controls in the Company. During the year, Company's Internal Controls were tested and no reportable weakness in the system was observed.

Apart from this, an Audit Committee consisting of three Non-Executive Directors has been constituted. All the significant audit observations and follow up actions thereon are taken care of by the Audit Committee. The Committee oversees the adequacy of Internal Control. The Audit Committee met four times during the financial year under review. The Company has also established a Vigil Mechanism as per Section 177(9) of Companies Act, 2013 read with Rule 7 of the Companies (Meeting of Board and its Powers) Rules, 2014.

HUMAN RESOURCES AND INDUSTRIAL RELATIONS:

The Company has two employees except Directors during the year under review. Here, our people feel respected and valued, creativity and excellence are encouraged.

The Industrial relations remained cordial throughout the year and the board records its appreciation for the contribution of all employees towards the growth of the company without which the achievements made would not have been possible.

the Company has taken various measures duly taking care of livelihoods of its employees, their safety and security. The steps include providing masks, hand sanitizers, disinfectants, conducting regular temperature checks and being very vigilant on employees and essential visitors at our office.

DETAILS OF SIGNIFICANT CHANGES IN KEY FINANCIAL RATIOS:

As per SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018, the Company is required to provide details of significant changes (change of 25% or more as compared to immediately previous financial year) in key financial ratios. Accordingly, the Company has identified the following ratios as key financial ratios:-

Independent Auditor's Report

To,
The Members of
Oswal Leasing Limited,
Report on the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone IND AS financial statements of Oswal Leasing Limited ('the Company'), which comprise the balance sheet as at 31st March 2025, the statement of profit and loss [including other comprehensive income], the statement of cash flows and the statement of changes in equity for the year ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "standalone Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the standalone Ind AS financial statements give the information required by the Companies Act 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March, 2025, and its Profit and Loss (including other comprehensive income), Cash Flow Statement and its statement of changes in equity for the year ended.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of The Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have not come with any key audit matter during the audit.

Information other than the financial statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility Management and Those Charged with Governance's for the Standalone Ind AS financial statements

The management and company's board of directors is responsible for the matters specified in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone IND AS financial statements that give a true and fair view of the financial position, financial performance [including other comprehensive income], cash flows and changes in equity of the company in accordance with the accounting principles generally accepted in India, including the Indian accounting standards [Ind AS] prescribed under section 133 of the Act, read with companies (Indian Accounting Standards) rules 2015.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for explaining our opinion on whether the Company has an adequate financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in exercise of powers conferred by sub section (11) of section 143 of the act, we give in annexure A, a statement on the matters specified in paragraph 3 & 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our Opinion, proper books of account as required by law have been kept by the company so far as it appears from our examination of those books;
 - (c) The balance sheet, the statement of profit and loss [including other comprehensive income], the cash flow statement and the statement of changes in equity dealt with by this report are in agreement with the relevant books of account;
 - (d) In our opinion, the aforesaid standalone IND AS financial statements comply with the Indian Accounting Standards specified under section 133 of the Act, read with the relevant rules there under;
 - (e) On the basis of the written representations received from the directors as on 31st March 2025 and taken on record by the board of directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164 (2) of the Act; and
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and the operating effectiveness of the company's internal financial controls over financial reporting; and
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirement of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanation given to us, the remuneration paid by the company to its directors during the year is in accordance with the

provision of the Section 197 of the Act.

- (h) In our opinion and to the best of our information and according to the explanations given to us, we report as under with respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014.
- i. Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise.
 - iii. There has not been an occasion in case of the Company during the year under report to transfer any sums to the Investor Education and Protection Fund. The question of delay in transferring such sums does not arise.
 - iv.(a) The Management has represented that, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under and (a) and (b) above, contain any material misstatement.
 - v. In our opinion & according to the information provided to us, the Company has not paid any Dividend during the year. Hence this clause is not applicable to the Company.
 - vi. Based on our examination which included test checks, the Regional Office has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph under the heading "Report on Other Legal and Regulatory Requirements")

On the basis of such checks as we considered appropriate and according to the information and explanations given to us during the course of our audit, we report that:

- i. The Company does not have any Property Plant and equipment or any Intangible asset. Hence this clause is not applicable on the company.
- ii. In our opinion and according to the information and explanations provided to us:
 - a. The nature of business of the Company does not require it to have any inventory. Hence this clause is not applicable on the company.
 - b. During the year, the company has not been sanctioned any working capital limits from banks on the basis of security of current assets. Hence, this clause is not applicable to the company.
- iii. According to the information and explanations given to us, during the year the company has granted loans or advances in the nature of loans, secured or unsecured to companies, firms, LLPs or any other parties. Hence this clause is applicable on the company. During the year, the company has granted loans or advances in the nature of unsecured loan to Oswal Woollen Mills Limited.
 - a. (B) The aggregate amount during the year, and balance outstanding at the balance sheet date with respect to loan granted to Oswal Woollen Mills Limited being other than subsidiaries, joint ventures and associates was ₹1,85,00,000.
 - b. In our opinion the terms and conditions of the grant of such loan during the year are prima facie, not prejudicial to the Company's interest.
 - c. In respect of such loans granted, the borrower has been regular in the repayment of the principal and interest as stipulated.
 - d. In respect of loans granted by the Company, there is no overdue amount outstanding as at the Balance Sheet Date.
 - e. There has not been any loan or advance in the nature of loan granted which has fallen due during the year.
 - f. The Company has granted loan that is repayable on demand to Oswal Woollen Mills Limited. The aggregate amount of the loan was ₹ 1,85,00,000 as on Balance Sheet date and it constitutes 100% to the total loans granted to related parties as defined in clause (76) of section 2 of the Companies Act 2013.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of sections 185 and 186 of the Companies Act, 2013 in respect of grant of loans as applicable.
- v. According to the information and explanations given to us, we are of the opinion that the company has not accepted any deposit or amounts which are deemed to be deposited in pursuance of Sections 73 to 76 of the Companies Act, 2013 and the rules frame thereunder. Accordingly, this clause is not applicable.
- vi. The requirement of maintenance of cost records as prescribed by Central Government under section (1) of section 148 of the Companies act is not applicable on the company.
- vii. According to the information and explanations given to us, books and records as produced and examined by us in respect of Statutory dues:

The company has generally been regular in depositing undisputed statutory dues including Income Tax and any other statutory dues with the appropriate authorities. Further, we report that no undisputed amount payable with respect to such statutory dues was outstanding as at March 31, 2025, for a period of more than six months from the date they became payable.
- viii. In our opinion and according to the information and explanations given to us and based on the records of the company examined by us, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the

Income Tax Act, 1961 (43 of 1961).

- ix. In our opinion and according to the information and explanations given to us:
- (a) The company has not taken any loans or other Borrowings from any Lender. Hence, reporting under clause 3(ix)(a) of the Order is not applicable to the Company;
 - (b) The company has not been declared a wilful defaulter by any bank or financial institution or any other lender;
 - (c) The Company has not taken any term loans during the year and there are no outstanding term loans at the beginning of the year. Hence, reporting under clause 3(ix)(c) of the Order is not applicable;
 - (d) During the year, the company has not taken any funds on a short-term basis. Accordingly, this clause is not applicable;
 - (e) The company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary;
 - (f) The Company has not raised any loans on the pledge of securities held in its subsidiary during the year and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- x. According to the information and explanations given to us:
- a. The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, paragraph 3 (x) of the Order is not applicable;
 - b. The company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally) during the year. Hence, reporting under clause 3 (x)(b) of the Order is not applicable.
- xi. In our opinion and according to the information and explanations given to us:
- a. No fraud by or on the Company has been noticed or reported during the course of our audit;
 - b. No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report;
 - c. During the year, no whistleblower complaints have been received by the company.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- xiii. In our opinion and according to the information and explanations given to us, all transactions with the related parties are in compliance with Section 177 and 188 of the Act, where applicable and requisite details have been disclosed in the Standalone Financial Statements as required by the applicable Accounting Standards.
- xiv. In our opinion and according to the information and explanations given to us:
- a. The company has an internal audit system commensurate with the size and nature of its business;
 - b. The reports of the Internal Auditor for the period under audit has been considered by us.
- xv. In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with him. Hence, provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. According to the information and explanations given to us:
- a. The Company is registered under section 45-IA of the Reserve Bank of India Act, 1934.
 - b. The Company has not conducted any Non-Banking Financial or Housing Finance activities without a Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
 - c. The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India and it fulfils the criteria prescribed.

- d. As per our Opinion, the Group has two CIC as part of the Group.
- xvii. According to the records examined by us, the Company has incurred cash losses during the current financial year 2024-25 amounting to Rs. 2.15 lakhs and cash losses amounting to Rs.4.20 lakhs in the immediately preceding financial year 2023-24.
- xviii. In our opinion and according to the information and explanation given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements we are of the opinion that no material uncertainty exists as on the date of the audit report indicating that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- xix. In our opinion and according to the information and explanations given to us, the Company does not meet the criteria for the applicability under Section 135 of the Companies Act, 2013. Hence, reporting under this clause is not applicable.
- xx. In our opinion and according to the information and explanations given to us, the company is not required to prepare consolidated financial statement. Hence, this clause is not applicable.

Annexure – B to the Independent Auditors' Report

(Referred to in our report of even date)

Report on the Internal Financial Controls over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") of Oswal Leasing Limited

We have audited the internal financial controls over financial reporting of Oswal Leasing Limited ("the Company") as of 31st March 2025 in conjunction with our audit of the standalone IND AS financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The management and company's board of directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("the Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone IND AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's

assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us, the company has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2025, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

2. Summary of material accounting policies

The financial statements have been prepared using the material accounting policies and measurement bases summarized as below. These policies are applied consistently for all the periods presented in the financial statements, except where the Company has applied certain accounting policies and exemptions upon transition to Ind AS.

a) Basis of preparation

(i) Statement of compliance with Indian Accounting Standards (Ind AS)

These standalone financial statements ("the Financial Statements") have been prepared in accordance with the Indian Accounting Standards ('Ind AS') as notified by Ministry of Corporate Affairs ('MCA') under Section 133 of the Companies Act, 2013 ('Act') read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other relevant provisions of the Act. The Company has uniformly applied the accounting policies for the periods presented in this financial statements.

a) The Financial statements of the Company have been prepared on going concern basis and historical cost basis except certain financial assets and liabilities measured at fair value and defined benefit plans assets measured at fair value.

b) The Accounting Policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy neither to in use.

(ii) Historical cost convention

The financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Further, the financial statements have been prepared on historical cost basis except for certain financial assets and financial liabilities which are measured at fair values as explained in relevant accounting policies.

b) Property, plant and equipment

Recognition and initial measurement

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognised in statement of profit or loss as incurred. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repair and maintenance costs are recognised in statement of profit or loss as incurred.

Subsequent measurement (depreciation method, useful lives and residual value)

Property, plant and equipment are subsequently measured at cost less accumulated depreciation and impairment losses. Cost of acquisition is inclusive of freight, duties, taxes and other incidental expenses. Depreciation on property, plant and equipment is provided on the straight-line basis as per the rates specified in Schedule II of the Companies Act, 2013.

Depreciation is calculated on pro rata basis from the date on which the asset is ready for use or till the date the asset is sold or disposed.

The residual values, useful lives and method of depreciation are reviewed at the end of each financial year. The Company fully depreciates the assets having individual value of Rs. 5,000 or less in the year of acquisition.

De-recognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the statement of profit and loss, when the asset is derecognised.

Capital work-in-progress

Capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and advances paid to acquire property, plant and equipment. Assets which are not ready to intended use are also shown under capital work-in-progress.

c) Investment Property

Properties held to earn rentals or / and for capital appreciation or both but not for sale in the ordinary course of business, use in the production or supply of goods or services or for administrative purposes, are categorized as investment properties. These are measured initially at cost of acquisition, including transaction costs and other direct costs attributable to bringing asset to its working condition for intended use. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any. The cost shall also include borrowing cost if the recognition criteria are met. Said assets are depreciated on straight line basis based on expected life span of assets which is in accordance with Schedule II of the Act. However, as per Ind AS 40, there is a requirement to disclose fair value as at the balance sheet date.

d) Intangible assets

Recognition and initial measurement

Intangible assets are stated at their cost of acquisition. The cost comprises purchase price including any import duties and other taxes (other than those subsequently recoverable from taxation authorities), borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

Subsequent measurement (amortisation method, useful lives and residual value)

Intangible assets are amortised over a period of 3 years from the date when the assets are available for use. The estimated useful life (amortisation period) of the intangible assets is arrived basis the expected pattern of consumption of economic benefits and is reviewed at the end of each financial year and the amortisation period is revised to reflect the changed pattern, if any.

e) Revenue recognition

Interest income

Interest income is recorded on accrual basis using the effective interest rate (EIR) method. Additional interest/overdue interest/penal charges, if any, are recognised only when it is reasonable certain that the ultimate collection will be made.

Dividend income

Dividend income is recognised at the time when the right to receive is established by the reporting date. Profit/Loss on Sale of investments is considered at the time of sale/redemption.

Brokerage income

Brokerage income is recorded on accrual basis.

Capital Gain/Profit on Sale of Investment

Gain/Loss on sale of Investment is considered at the time of Sale / Redemption.

Other income

All other income is recognized on an accrual basis, when there is no uncertainty in the ultimate realization/collection.

f) Accounting for Taxes on Income

Deferred tax has not been recognized as there is no virtual certainty.

g) Borrowing costs

Borrowing costs that are directly attributable to the acquisition and/or construction of a qualifying asset, till the time such qualifying assets become ready for its intended use sale, are capitalised. Borrowing costs consists of interest and other cost that the Company incurred in connection with the borrowing of funds. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Statement of Profit and Loss as incurred basis the effective interest rate method.

h) Taxation

Tax expense recognized in Statement of Profit and Loss comprises the sum of deferred tax and current tax except to the extent it recognized in other comprehensive income or directly in equity. Current tax comprises the tax payable or receivable on taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. Current tax is computed in accordance with relevant tax regulations. The amount of current tax payable or receivable is the best estimate of the tax amount expected to be paid or received after considering uncertainty related to income taxes, if any. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously

Minimum alternate tax ('MAT') credit entitlement is recognised as an asset only when and to the extent there is convincing evidence that normal income tax will be paid during the specified period. In the year in which MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT credit entitlement. This is reviewed at each balance sheet date and the carrying amount of MAT credit entitlement is written down to the extent it is not reasonably certain that normal income tax will be paid during the specified period.

Deferred tax is recognised in respect of temporary differences between carrying amount of assets and liabilities for financial reporting purposes and corresponding amount used for taxation purposes. Deferred tax assets are recognised on unused tax loss, unused tax credits and deductible temporary differences to the extent it is probable that the future taxable profits will be available against which they can be used. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date to recover or settle the carrying amount of its assets and liabilities. Deferred tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit or loss (either in other comprehensive income or in equity).

i) Employee benefits

Short-term employee benefits

Liabilities for wages and salaries, including non-monetary benefits, if any, that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

Other long term employee benefit obligations:

The liabilities, if any, which needs to be settled after 12 months from the end of the period in which the employees render the related services are measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of reporting period using the projected unit credit method.

j) Impairment of financial assets

Loan assets

The Company follows a 'three-stage' model for impairment based on changes in credit quality since initial recognition as summarised below:

- Stage 1 includes loan assets that have not had a significant increase in credit risk since initial recognition or that have low credit risk at the reporting date
- Stage 2 includes loan assets that have had a significant increase in credit risk since initial recognition but that do not have objective evidence of impairment.
- Stage 3 includes loan assets that have objective evidence of impairment at the reporting date.

The Expected Credit Loss (ECL) is measured at 12-month ECL for Stage 1 loan assets and at lifetime ECL for Stage 2 and Stage 3 loan assets ECL is the product of the Probability of Default, Exposure at Default and Loss Given Default, defined as follows:

Probability of Default (PD) - The PD represents the likelihood of a borrower defaulting on its financial obligation (as per "Definition of default and credit-impaired" above), either over the next 12 months (12 months PD), or over the remaining lifetime (Lifetime PD) of the obligation.

Loss Given Default (LGD) – LGD represents the Company's expectation of the extent of loss on a defaulted exposure. LGD varies by type of counterparty, type and preference of claim and availability of collateral or other credit support.

Exposure at Default (EAD) – EAD is based on the amounts the Company expects to be owed at the time of default. For a revolving commitment, the Company includes the current drawn balance plus any further amount that is expected to be drawn up to the current contractual limit by the time of default, should it occur.

Forward-looking economic information (including management overlay) is included in determining the 12-month and lifetime PD, EAD and LGD. The assumptions underlying the expected credit loss are monitored and reviewed on an ongoing basis.

Other financial assets

In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses. When making this assessment, the Company uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Company compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date

Write-offs

Financial assets are written off either partially or in their entirety only when the Company has stopped pursuing the recovery. Any subsequent recoveries are credited to impairment on financial instrument on statement of profit and loss.

k) Cash and cash equivalents

Cash and cash equivalents comprise cash in hand (including imprest), demand deposits and shortterm highly liquid investments that are readily convertible into known amount of cash and which are subject to an insignificant risk of changes in value.

l) Provisions, contingent assets and contingent liabilities

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognised nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

m) Financial instruments

A Financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Initial recognition and measurement Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs. Subsequent measurement of financial assets and financial liabilities is described below.

Non-derivative financial assets

subsequent measurement

i. Financial assets carried at amortised cost – a financial asset is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest income in the Statement of Profit and Loss.

ii. Investments in equity instruments – Investments in equity instruments which are held for trading are classified as at fair value through profit or loss (FVTPL). For all other equity instruments, the Company makes an irrevocable choice upon initial recognition, on an instrument by instrument basis, to classify the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit or loss (FVTPL). Amounts presented in other comprehensive income are not subsequently transferred to profit or loss. However, the Company transfers the cumulative gain or loss within equity. Dividends on such investments are recognised in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment.

iii. Investments in mutual funds/venture capital funds/alternative investment funds (AIF) – Investments in mutual funds, venture capital funds and AIF are measured at fair value through profit and loss (FVTPL).

iv. Investments held for trading purposes – The Company has investments in equity instruments, mutual funds, debentures, bonds etc. which are held for trading purposes and therefore, classified as at fair value through profit or loss (FVTPL).

De-recognition of financial assets

Financial assets (or where applicable, a part of financial asset or part of a group of similar financial assets) are derecognised (i.e. removed from the Company's balance sheet) when the contractual rights to receive the cash flows from the financial asset have expired, or when the financial asset and substantially all the risks and rewards are transferred. Further, if the Company has not retained control, it shall also derecognise the financial asset and recognise separately as assets or liabilities any rights and obligations created or retained in the transfer.

Non-derivative financial liabilities

Subsequent measurement

Subsequent to initial recognition, all non-derivative financial liabilities are measured at amortised cost using the effective interest method.

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Offsetting of financial instrument

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

n) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss (interest and other finance cost associated) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

o) Segment reporting

The Company identifies segment basis the internal organization and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are regularly by the executive committee ('chief operating decision maker') in deciding how to allocate resources and in assessing performance. The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship with the operating activities of the segment.

p) Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the related disclosures. Actual results may differ from these estimates.

Significant management judgements

Recognition of deferred tax assets – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.

Evaluation of indicators for impairment of assets – The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

Provisions – At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

Significant estimates

Useful lives of depreciable/amortisable assets – Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of assets.

Defined benefit obligation (DBO) – Management’s estimate of the DBO is based on a number of underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

Fair value measurements – Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

Valuation methodologies of financial instruments not measured at fair value

Below are the methodologies and assumptions used to determine fair values for the above financial instruments which are not recorded and measured at fair value in the Company's financial statements. These fair values were calculated for disclosure purposes only. The below methodologies and assumptions relate only to the instruments in the above tables:

Financial assets and liabilities

For financial assets and financial liabilities that have a short-term maturity (less than twelve months), the carrying amounts, which are net of impairment, are a reasonable approximation of their fair value. Such instruments include: cash and balances, balances other than cash and cash equivalents, loans, investments and other financial assets.

Note No. 27 Financial risk management objectives and policies

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to support its operations. The Company's financial assets include investment loans, trade other receivables, cash & cash equivalents and other bank balances that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The company's senior management oversees the management of these risks. The company's senior management is supported by a financial risk committee that advises on financial risks and the appropriate financial risk governance framework for the Company. This financial risk committee provides assurance to the Company's senior management that the Company's financial risk activities are governed by appropriate policies and procedure and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each risk, which are summarised as below:

(A) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risks. Financial instruments affected by market risk include loans and borrowings, deposits and payables/receivables in foreign currencies.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long term debt obligations with floating interest rates. The Company is carrying its borrowings primarily at variable rate. The Company expects the variable rate to decline, accordingly the Company is currently carrying its loans at variable interest rates.

No borrowings has been taken by the company. Accordingly, no such risks exists.

b) Foreign currency risks

Foreign currency risk is the risk that the fair value of future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure in foreign currency is in Trade payables denominated in foreign currency. The Company is not restricting its exposure of risk in change in exchange rates.

The company has no foreign exposure. Accordingly, no such risks exists.

B) Credit risk

Credit risk is the risk that counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including loans to related parties, deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

Credit risk management

The Company assesses and manages credit risk based on internal credit rating system. Internal credit rating is performed for each class of financial instruments with different characteristics. The Company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

- (i) Low credit risk on reporting date
- (ii) Moderate credit risk
- (iii) High credit risk

Financial assets that expose the entity to credit risk:

Particulars	As on 31 March 2025	As on 31 March 2024
Low credit risk on reporting date		
Loans(non-current)	1,85,000.00	1,85,000.00
Cash and Cash Equivalent	1,384.97	4,437.04
Other Financial Asset	13,536.00	13,706.36
Total	1,99,920.97	2,03,143.40
Moderate credit risk on reporting date		
High credit risk on reporting date		
Investments	80,080.00	75,130.00

Cash and cash equivalents and bank deposits

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks across the country.

Loans

Credit risk related to borrower's are mitigated by considering collateral's/bank guarantees/letter of credit, from borrower's. The Company closely monitors the credit-worthiness of the borrower's through internal systems and project appraisal process to assess the credit risk and define credit limits of borrower, thereby, limiting the credit risk to pre-calculated amounts. These processes include a detailed appraisal methodology, identification of risks and suitable structuring and credit risk mitigation measures. The Company assesses increase in credit risk on an ongoing basis for amounts loan receivables that become past due and default is considered to have occurred when amounts receivable become one year past due.

C) Liquidity risk

The Company monitors its risk of a shortage of funds by estimating the future cash flows. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts, cash credit facilities and bank loans.

The Company assessed the concentration of risk with respect to refinancing its debt and concluded it to be low. The Company has access to a sufficient variety of sources of funding and debt maturity within 12 months can be rolled over with existing lenders.

The company is not subject to any liquidity risk

The table below shows an analysis of assets and liabilities analysed according to when they are expected to be recovered or settled. With regard to loans and advances to customers, the Group uses the same basis of expected repayment behaviour as used for estimating the EIR. Issued debt reflect the contractual coupon amortisations.
